### 41<sup>st</sup> ANNUAL CAMELLIA CUP REGATTA RESULTS

APRIL 15, 2007 – Sailors Dave Rumbaugh of Sacramento and Anne Jaeschke of Alameda on a Coronado 15 overcame winds so strong that their rudder was torn from their boat, to win the 41<sup>st</sup> annual Camellia Cup on Folsom Lake, today.

Rumbaugh and Jaeschke represented Sacramento's Lake Washington Sailing Club in winning the Camellia Cup, the Open Centerboard Perpetual Trophy and the Coronado 15 class. Sixty-three boats, from 13-foot Banshees to a 25-foot Catalina competed in the Folsom Lake Yacht Club regatta which annually marks the opening of the boating season in the Sacramento area and which attracted sailors from as far away as Eugene, Oregon.

Top Keelboat was "Sea Bear," a Santana 20 skippered by Jason Crowson of El Dorado Hills. The "Top Cat" award for fastest multihull was presented for the second year to Todd and Barbara Craig of Roseville, who rode a Hobie Miracle 20.

Sailing in winds that topped 20 miles per hour, the boats competed under small craft advisories on Folsom Lake, described by Folsom Lake Yacht Club Commodore Steve Galeria as "the most challenging two days of sailing on Folsom Lake in years."
