

FOLSOM LAKE YACHT CLUB
2007 "TRANS-FOLSOM" RACE/REGATTA
The Champagne Challenge

The Folsom Lake Yacht Club invites all sailors to participate in the 2007 Trans-Folsom Race. This is the longest race (approximately 21 miles) held on Folsom Lake. Its purpose is to provide a unique challenge by testing a variety of racing skills, such as, tactics, navigation, sail selection, weather knowledge, concentration, etc. In addition, this race features: 1) reverse/pursuit start, 2) a finish line party at the FLYC dock where finishers can cheer on the later finishers, and 3) course records for each fleet.

Centerboard boats are invited to compete in a separate "Centerboard Regatta" which also features a long distance format, planned for August 11, 2007.

We will again offer the traditional toasts of champagne to boats breaking course records, and of course, toasts to future good sailing.
